[11:42] <scoopula> sup everyone
[11:42] <admiralprawn> Phil, how are you doing this weekend?
[11:42] <thenewfaceofcreation> the game isnt good
[11:43] <rx93gundamm> i prefer a pene
[11:43] <darksydephil> yes, thats right
[11:43] <darksydephil> repeat that like a parrot
[11:43] <darksydephil> proves how smart you are lol
[11:43] <rx93gundamm> :D
[11:43] <admiralprawn> I've never heard this music before, where did this come from, Phil?
[11:43] <rx93gundamm> sorry dude I just think its funny
[11:44] <darksydephil> i seriously wonder about people who mindlessly repeat shit
[11:44] <6th_moral> like you repeat how you need more money every stream lmao
[11:44] <darksydephil> like, do you constantly need napkins to wipe the drool off your mouth? lol
[11:44] <rx93gundamm> sometimes
[11:44] <rx93gundamm> every dsp tries it im drooling
[11:44] <admiralprawn> Alright, let's not degenerate this chat, I'm having a good weekend and don't want any negativity.
[11:44] <bethemadeagle> saw that coming
[11:44] <sonicdude4567> hey you thinking of playing southpark yet?
[11:44] <nich2440> what are you replying to phil?
[11:44] <darksydephil> you do realize that mindlessly repeating meaningless memes shows low intelligence, right?
[11:45] <rx93gundamm> oh
[11:45] <stunted> welcome to twitch phil
[11:45] <admiralprawn> Phil, it means they don't have the intelligence to come up with their own jokes.
[11:45] <thenewfaceofcreation> @DarksydePhil you keep getting baited by them
[11:45] <thenewfaceofcreation> thats why they will do it
[11:45] <admiralprawn> So they need to repeat what others have said.
[11:45] <darksydephil> there's no bait here
[11:45] <darksydephil> it's just an observation
[11:45] <darksydephil> AdmiralPrawn is exactly right
[11:45] <darksydephil> and the stuff they repeat doesn't even make sense
[11:45] <bethefueg> I love how I come on and the first thing I see is phil berating someone :D
[11:45] <friendly_gaming> ignore the haters phil
[11:46] <darksydephil> they just repeat it to be part of something
[11:46] <darksydephil> it's the epitome of being a mindless, drooling idiot
[11:46] <kevingunn3r> hey everyone

[11:46] <scoopula> people are idiots, they just want attention
[11:46] <gamemaster2003isdead> phil you just need to rise above this
[11:46] <admiralprawn> It wouldn't be so bad if they at least had the creativity to come up with their own shit, instead of just copying memes.
[11:46] <nich2440> Are you really ranting about people posting memes?
[11:46] <sonicdude4567> are you going to play south park or sonic forces yet?
[11:46] <stunted> I mean people being dumb on the internet isn't exactly a new thing LUL
[11:46] <darksydephil> no, this is about the dumb shit people repeat about me that makes no sense lol
[11:46] <darksydephil> "i prefer a penne" huh?
[11:46] <rx93gundamm> sonic i think he already played both and did full play throughs
[11:46] <kushiyakitori> south park and sonic forces are both done
[11:47] <nich2440> Who cares tho?
[11:47] <darksydephil> you literally took something random i said on a prestream and turned it into a meaningless meme
[11:47] <blue_blur64> he beat both a while ago sonicdude :P
[11:47] <sonicdude4567> ok
[11:47] <rx93gundamm> @DarksydePhil When you said that on stream weren't you talking about a noodle dish you ate?
[11:47] <bethemadeagle> he has played south park and sonic forces and beat em both
[11:47] <sonicdude4567> did he like forces
[11:47] <darksydephil> im pretty sur ei was responding to a cheer
[11:47] <rx93gundamm> oh
[11:47] <darksydephil> like someone asked me if i had a preference of pasta
[11:47] <admiralprawn> Best to just ignore them, if they don't have the intelligence to say anything original, then they aren't worth your energy or time. Likewise, if someone has nothing positive to say then don't say it. It's an amazingly simple and effective system.
[11:47] <rx93gundamm> haha yeah it was cut to say i prefer a penne
[11:47] <darksydephil> and i said i liked pasta that was easy to get with your fork bc some of them are a pain in the ass and splash sauce
[11:48] <thenewfaceofcreation> @AdmiralPrawn hope phil listens to what you said
[11:48] <thenewfaceofcreation> cuz he doesnt
[11:48] <darksydephil> so...how does that turn into a pointless meme? see what i'm saying. it's mindless
[11:48] <stunted> they do it to piss you off phil
[11:48] <kevingunn3r> This song though
[11:48] <nich2440> Is it really that big of a deal?
[11:48] <admiralprawn> People on the internet are assholes, it's an inescapable fact.
[11:48] <friendly_gaming> they winning if you react to this
[11:49] <thenewfaceofcreation> @friendly_gaming i guess?
[11:49] <gautyer> I prefer a pene.
[11:49] <nikiboo32_> are traps gay?
[11:49] <admiralprawn> Hello, Phil!

[11:53] <kevingunn3r> ww2 sucks
[11:53] <kevingunn3r> in some ways
[11:53] <admiralprawn> It was quite a destructive conflict, yes.
[11:53] <sonicdude4567> it doesn't
[11:53] <signori_> most ways Kappa
[11:53] <trihard4liife> TriHard

[11:54] <gamemaster2003isdead> no
[11:54] <nikiboo32_> phill are u a thicc trap?
[11:54] <admiralprawn> I remember reading a youtube comment about someone complaining that you could pick up a Russian machine gun in the D-Day mission, when that's actually pretty historically accurate. The Wehrmacht captured thousands of Soviet weapons, rechambered them for German ammunition and then armed a lot of their troops on the western front with them since you know, shortage of materiel.
[11:54] <rx93gundamm> dspYuck
[11:54] <tokyotrump> TamAgachi

[11:59] <wouldyoulikesomeballz> LUL

[11:59] <rx93gundamm> selling his house is admitting defeat for everything he worked hard for
[11:59] <nikiboo32_> Taxation is theft anyone
[11:59] <leonaras> To be fair Phil, you have some responsibility over your own taxes, you cant entirely blame the guy. Dont get me wrong he IS at fault, but the buisness tax info is fairly easy to research.
[11:59] <nikiboo32_> taxes are evil goberment lies
[11:59] <rx93gundamm> but he said he has no money to sue the guy

[13:12] <fffffasdfasdas> Overwatch and Rainbow Six are very active even on consoles because they still get content

[13:12] <djruno1> the thing that bugs me is: we can all agree that the game is not great, but phils reasons why the game is garbage aare just plain stupid

[13:12] <snarfu99> Wouldn't you get host-state-rewind when your connection is terrible? It shouldn't matter unless it's extremely laggy.

[13:12] <oakslsapws> lucky kill by dsp

[13:12] <breath321> @DJRuno1 Agreed actually

[13:12] <bethebaby> @DJRuno1 I think the game's pretty good. At least, I enjoy playing it.

[13:13] <cookiemonster414> @darksydephil stop with the hip fire son.

[13:13] <butter__my__bread> shotguns should be respected up close tho dood

[13:13] <snarfu99> How would you know if you hit him first when there's significant lag? You wouldn't see him fire only after ~200ms

[13:13] <rotoch4mp> the more players a game has the more stupid it gets
